

Instructions for Compiler Design Laboratory

Dear students

Please follow the instructions to conduct the laboratory in a serene manner

- Students have to get evaluated internally through the TA'S assigned in the laboratories.
- Maintain a disciplined mode inside the laboratory to avoid rigorous decisions.
- Biasing any of the TA'S is condemned.
- Please give your attendance attentively.
- Leave the lab with prior permission and a register is maintained at the exit of the lab.

Instructions for submitting the Assignment online

- For section A IIIT-A (Jhalwa) Further assignments from 2-feb-2015 should be submitted in

cod.iiita@gmail.com

- For RGIIT(Amethi) Further assignments from 2-feb-2015 should be submitted in

cod.rgiit@gmail.com

- Subject line: Assignment No and Roll No
- Attachment: Source code and a word document containing the logic of the assignment.
- Online evaluations will be done on the next day of the laboratory. Late submissions will not be considered.
- Both internal and online evaluations contain appropriate marking.
